Where Our Money Comes From

Where Our Money Goes

As you can see from the pie charts, the Fellowship relies heavily on our membership's time, talent, and treasure to keep our community going. It takes about \$350,000 to successfully run all our programs and meet all our obligations. So what is your fair share? Please refer to the chart on this brochure. For some, giving their time and talent is easier than giving their treasure...for others not. It takes all of us pledging what we can. It takes all of us committing to give something back.
