

Application for Scatter Garden Plaque

Bronze plaques are available for anyone eligible for scattering in our GUUF scatter garden. The cost of the installed plaque is \$250.00 which is paid by the Fellowship to facilitate the ordering. A contribution of \$250.00 to offset this cost would be appreciated. Since plaques are cast in bronze, absolute accuracy is important and is the reason for this written application.

The plaque can have three lines. The name, Birth and death dates, and an optional third line. A look at the plaques already on the stone will give you some guide for composing this one. Please submit this application to Damon Christenberry, 200 Inn Circle, Fountain Inn, SC, 29644-1925. Electronic submission can be to laura-damon@att.net.
