

Greenville Unitarian Universalist Fellowship

This love of which I speak is slow to lose patience - it looks for a way of being constructive. It is not possessive: it is neither anxious to impress nor does it cherish inflated ideas of its own importance.

Love has good manners and does not pursue selfish advantage. It is not touchy. It does not keep account of evil or gloat over the wickedness of other people. On the contrary, it is glad with all good people when truth prevails.

Love knows no limit to its endurance, no end to its trust, no fading of its hope; it can outlast anything, It is, in fact, the only thing that still stands when all else has fallen.

Welcoming Congregation (WC) Welcomes You!

The next entry in the WC's free movie series is "Torch Song Trilogy." The movie will be shown at 7 pm Wednesday, Feb. 16th. Snacks provided; beverages are not.

Torch Song Trilogy (1988)

Tony Award-winning actor and playwright Harvey Fierstein re-creates his role as the unsinkable Arnold Beckoff in this film adaptation of the smash Broadway play. A personal story that is both funny and poignant, TORCH SONG TRILOGY chronicles a New Yorker's search for love, respect and tradition in a world that seems not especially made for him.
