

First Leadership Development Series to Start in January

Beginning January 18, 2009, the Leadership Development Committee will be offering its first leadership development series open to ALL members, whether you are currently in leadership at GUUF or simply have an interest in potential future leadership at GUUF. The skills taught in these sessions are transferable skills that can carry over into other volunteer organizations and workplace situations.

THE DIFFERENCE IS LEADERSHIP!

The six week course will be held in the Founder's Room beginning at 12:45 each Sunday and will last one hour. Classes start January 18, 2009. Lunch and refreshments will be served.

The course outline is as follows:

Week 1 (1/18/2009): What kind of leader are you?

Week 2 (1/25/2009): GUUF Structure 101

Week 3 (2/1/2009): Resonant Leadership

Week 4 (2/8/2009): GUUF Leadership Decision making and Collaboration Processes

Week 5 (2/15/2009): Inspiring and Renewing Volunteers

Week 6 (2/22/2009): Wrap-up/Celebrating our Successes!

The moderator of the series is our Past-President/Leadership Development Committee Chair, Candy Kern-Fuller. Candy is a ten plus year member of GUUF and graduate of *Connections: Women Leaders of the Upstate*. At GUUF, she served two terms as the Social Responsibility Chair and two years as the Board Secretary before accepting nomination as the 2006-2007 President-Elect. Prior to her service at GUUF, she served in various capacities for the National Organization for Women (NOW), serving as their State Coordinator, a National Board Member representing the Southeast Region, and she helped create and then served on the first Young Feminist Committee for NOW nationally. She also served at the state and local levels of the S.C. American Civil Liberties Union (ACLU).

Please RSVP to candy@upstatelawgroup.com or at (864) 905-3610 by Sunday January 11th so we can plan for course materials and food for the first class. Please also let us know if you have special meal needs or childcare needs on or before January 11th.

WELCOME NEWCOMERS!

Please join us in Fellowship Hall for coffee and good conversation after the service. We have a special newcomer's table with coffee mugs and information about Unitarian Universalism. Our greeters will be there to speak with you and help you feel at home.

Special Friends Week is Coming!

Do your Grandchildren live far away? Have your children left the nest? Or maybe not ready to start your own family yet? Have we got a deal for you!!!!

During the week of February 9-15 , 2008 you can have the opportunity to connect with or even lavish affection upon one of the bright, beautiful younger members of the GUUF family. And the best part....NO diaper changes, NO late night feedings, and NO sassy back talk!!! (We said it was a deal!)

We need adults to sign up to be paired with a child. During Valentine's Week, you will contact your child two or three times by sending valentines, poems, riddles, etc. You'll send one of two identical nametags at the end of the week to be worn by each of you on Sunday, February 15th when your "Special Friend" identity will be revealed. If you would like to participate, please sign up in the RE area to receive further details. There will also be sign-up sheets distributed in the weekly Spark. Don't miss this opportunity to win a child's heart!

We invite friends, young and old, to participate in a Valentine's week of delightful surprises. Please join us in an opportunity to make an interesting new friend in the congregation.

PARENTS: We hope your children will want to participate. It is a lot of fun, and we have had excellent participation in past years, forging strong intergenerational bonds. Please contact Jennifer Cowden (dave.cowden@gmail.com or 675-0373), or Kris Beliakoff (kris.beliakoff@gmail.com or 906-5368) if you have any questions. Drop children's forms in the Special Friends box in the RE area. Extra forms are available. Deadline to sign up is January 25, 2008.

Saving Jesus Begins Again in February
9:30 AM Sundays, Teen Lounge downstairs

We are planning to run this popular class again for new participants beginning February 1st. We have only a couple spots left.. Please see Jackie Weddington or Kris Beliakoff to pre-register Ever feel like Jesus has been kidnapped by the Christian Right or the Secular Left? Saving Jesus is a revolutionary DVD-based small group exploration of Jesus Christ for the third millennium. Featuring leading religious voices of our day, the 12-week program includes historical, theological, spiritual and social justice themes for a conversation around the relevance of Jesus Christ for today. Facilitator Karen Conrad, Jackie Weddington.

By Request: Saving Jesus – Extended Discussion Group
9:30 AM Sundays, place to be determined

Sometimes when a course ends the participants want to continue to meet (one of mine has been going for almost 10 years with the same folks). This class is winding down and gearing back up. If you were a member of the first run of the *Saving Jesus* course, please join in the extended discussion and chosen enrichment activities. We are finding a space for you, but talk to Jackie and let's keep the group fed.

Speaking of "fed": Let us whet your appetite for Adult Enrichment
Upcoming topics in Adult RE – Check your Flame and your January Sparks for start dates, places and times.

Power of Myth, Joseph Campbell and Bill Moyers – DVD series and discussion. Mythology is humanity's universal method of seeking the transcendental, and "follow your bliss" is the timeless formula for spiritual satisfaction. Campbell himself is the embodiment of these themes, an erudite scholar and quintessential storyteller, recalling a wide spectrum of myths from throughout history (Japanese, Native American, Egyptian, Mayan, and many more) to illustrate humankind's eternal quest to grasp the mysteries of creation. Historical artifacts and illustrations bring these timeless stories to life. Women's Room downstairs every Sunday but the second Sunday, 9:45 AM, starting date to be decided.

Living Wills, Ethical Wills, End of Life Planning, Hospice

How do you know your wishes will be followed at your time of death? What do you really wish to leave behind? How will folks know of your wishes? Part of what we provide as a spiritual home is guidance and support for both the happy and the toughest times in our lives. Adult RE is continuing topics from our Death and Dying course in small stand alone seminars to help all adults in our community.

In Discussion: Russian lessons, Square Foot Gardening for Adults, Healthy Living (food and home products), Meditation in Motion Saturday seminar, Rise Up and Call her Name (feminist theology for women and men).

My apologies for the typo in the last Spark that slammed the remainder of an ad for our teen camping trip into the reminder about today's service. Not sure how that happened, but computer gremlins never cease to amaze. I am sorry for any confusion. ~ Kris
