2009 Bridging Ceremony
May 31st

In the Service

Join us as we celebrate our 12th Graders who bridge to adulthood. We will honor them in the service and wish them well as they head to college or career.

Chili Cook-off
May 31st

Our yearly chili cook-off has arrived! Enjoy a meal at the congregational meeting knowing you are helping the youth group. On May 31st join us for a meal prepared by the teens and their families as a fundraiser for their trips 9th grade to Boston and 10-12th grade to NYC. The meals are \$5 and a wonderful way to relax and visit with one another as well as stay for a congregational meeting. Note about lunch fundraisers: Each teen must raise between \$700-\$800 to attend their annual youth group trip. We hold luncheons once a month to help them out, along with fundraise throughout the Greenville community. Thank you for your support!

O' Charley's Night for GUUF!
May 26th 4 to 8 PM

We have secured a dinner night at O'Charley's in Simpsonville. * 10% of the proceeds for the night will go to our youth group (up to \$500). Where else can you enter a restaurant and know so many patrons? Spread the word. You don't even have to mention the name of the group, just eat at a place that cares to help our teens. Funds raised will offset the cost of the NYC and Boston trips. *Thank you to Scott Gilbert for making this connection.

Summer in Children and Youth Religious Education Volunteers needed, plans being made

GUUF religious education continues over the summer beginning in June, though with a condensed Sunday morning schedule. Children's classes begin after the story in the service and the teen classes begin at 11 AM. Our children's curriculum this summer is from the Culture Company which advocates peace through play (see the May Flame for more details). We need folks to lead one or more of the following sessions:

PEACE: Peace is the Path
AUSTRALIA: Responsibility to Others
BRAZIL: Respect the Earth and Each Other
GHANA: Different yet Familiar
GREECE: The Golden Rule
INDIA: Fairness
MOROCCO: Being Thankful

If you would like to teach, please see Kris or Laura Christenbury and we will help schedule the summer sessions around your summer plans. Lessons and materials provided.

Teens ---

You will be involved in Social Action and brush up on your theology with an unusual but highly popular curriculum called The Gospel According to the Simpsons. Yes, those Simpsons. True to the themes of the ancient texts but taught in an unforgettable style, this curriculum promises to break up those summer blahs. Plus, we will add more social plans as you wish. Teachers needed. All materials and discussion questions provided.

Families and Teens -- Save these dates:

May 17th Hot dogs/hamburgers social/volleyball here after the service (all teens)

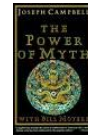

June – 18-21 (NYC for 10—12th Grade)

August 13-17 Boston 9th Grade

Campbell recalls a wide spectrum of myths from throughout history (Japanese, Native American, Egyptian, Mayan, and many more) to illustrate humankind's eternal quest to grasp the mysteries of creation. Includes The Hero's Adventure, The Message of the Myth, The First Storytellers, Sacrifice and Bliss, Love and the Goddess, Masks of Eternity. Facilitator: Deborah Hickey. Format: DVD and discussion. Please RSVP to Kris or the office.

**Spiritual Cinema
Taos**

May 20 Wednesday, 7 PM, Founders Room

From the jacket: "John Wahlberg is a fast-track lawyer in the prime of his life when he takes a trip to join his girlfriend for a family vacation to Aspen. When his car breaks down stranding him in Taos, New Mexico, he has an opportunity to take a moment to review his life. What he discovers will take more than a night in the mountains to solve, but once he sees the light, clearly there's no turning back. "This film is about perspective and wake up calls that suggest it is time for a change in perspective.

Facilitator: Kris Beliakoff, 906-5368. Childcare available with one week's notice.

**Joint Social Justice Committee/Adult Religious Education
Movie Premier and Discussion
May 27th, Wednesday, 7:00 PM, Fellowship Hall**

Join internationally accredited speaker and facilitator Ron Chapman in a premiere of *The First Millimeter: Healing the Earth*, a national PBS documentary about healing the land around the world - and the lives of those who are dependent on it. Produced by 17-time Emmy award-winning director Chris Schueler, who says that it may be the most important story he has ever told. Ron is the Past Chairman of the Board of Holistic Management International (HMI), whose work is central to the film's focus. HMI is a global environmental education non-governmental organization headquartered in Albuquerque, New Mexico that works with stewards of large landscapes—agricultural producers, pastoralists, and government agencies—to help them partner with nature to create a positive ecological footprint. Through improved natural resource management practices, these managers improve soil health, which results in a host of benefits including: improved water quality, carbon sequestration, drought mitigation, flood resilience, and food security.

We will serve a light dinner at 6:15 PM. \$5 per person. RSVP requested for dinner. Call the office at 271-4883 or email Kris Beliakoff at dre@greenvilleuu.org.

Meeting is for the adoption of a budget for the 2009/2010 fiscal year.
Please plan to attend.

Spring Hymn Toss May 17, 10:30 am

Come one and all, one half hour before the service and sing and play your favorite hymns! We had so much fun the first time that we're ready to rock it again! Bring your voices, instruments and a list of your favorites and we'll play through as many of them as time allows. Its great way to get into the spirit for worshipping together, go come on, and jam!

Clip Coupons for Pat's Pantry

Please donate any coupons you are not using to the Coupon Box, above the little red wagon, for Pat's Pantry. Betty Gibson knows how to use coupons with sales to get free or almost free food for the Pat's Pantry

Garden Time

Want to plant a garden of your own and don't have space at home? The fellowship is providing about 5,000 sq ft of garden space ready for your hoe. We have arranged to have a section of our front yard ploughed and tilled and ready for you to garden. Get in touch with Alvena Chapman chapman100@charter.net or 232-7092 or the office and reserve a space. The ground should be ready for you now.

WELCOME NEWCOMERS!

IN 30 SECONDS FLAT, YOU CAN HELP START A NEW UU CONGREGATION...BECOME A CHALICE LIGHTER

In the 30 seconds it takes to go to this link, <http://tjd.uua.org/cl/tjd-chalice-lighter-pledge-form.htm> and fill out the pledge card, you can help start up new UU churches in America, help a congregation call their first UU minister, expand or re-build current UU buildings, or start UU ministries on college campuses. It's easy when thousands of individual UU's come together, each giving as little as \$10, three times a year, in what is called the "Chalice Lighters Program". The money is rolled together from lots of congregations to help individual congregations. Perhaps even GUUF! Very cool!

Our neighbors, the Spartanburg congregation have been the beneficiary of this program twice--first with a \$2400 grant in 1990 to call their first minister, and again with a \$26,140 grant in 2006 for a building expansion. Clemson fellowship benefited from the program in 1998 with a \$15,837 grant to call their first minister. While GUUF has never applied for a grant, we certainly could! We could receive funds to expand or renovate our building, for example. But to be a beneficiary of the program, we must have a substantial number of members contributing as Chalice Lighters for other congregations.

When a congregation applies for a grant, the district will send out a "call", never more than three times per year, to everyone who has signed up to be a Chalice Lighter. For each call, you send in however much you have pledged--\$10, \$20, \$50, \$100--whatever is the right amount for you. Our goal is to have 75% of our members sign up to be Chalice Lighters. When you sign up, you accomplish two enormously important things: help grow UUism across America, and help make GUUF eligible to receive a grant at some point.

I signed up to become a Chalice Lighter on Friday, April 17th. It took 30 seconds using the online link. They'll send me a welcome packet and a Chalice Lighter decal to wear on my name badge (if I ever remember my name badge). They'll contact me by mail no more than three times per year to help out another congregation. I felt great about standing up for this program. Will you stand with me? Will you take the 30 seconds to click on the link to the online pledge card and sign up today? Let's overwhelm the district office with dozens of Greenville Unitarian Universalist folks' pledge cards, and show that we walk our talk, that we believe in deeds not creeds, and that our deed for today is to become a Chalice Lighter. Thanks

Dinner and a Movie

Movie: Night on Earth (1991)

When: TONIGHT!!!!!!

Time: Potluck Dinner 6pm, Film 7pm

Place: Greenville Unitarian Universalist Fellowship

The Movie: OK, we have had enough of sad movies for a while so let us change the mood. This collection of five stories involving cab drivers in five different cities. Los Angeles - A talent agent for the movies discovers her cab driver would be perfect to cast, but the cabbie is reluctant to give up her solid cab driver's career. New York - An immigrant cab driver is continually lost in a city and culture he doesn't understand. Paris - A blind girl takes a ride with a cab driver from the Ivory Coast and they talk about life and blindness. Rome - A gregarious cabbie picks up an ailing man and virtually talks him to death. Helsinki - an industrial worker gets laid off and he and his compatriots discuss the bleakness and unfairness of love and life and death. This movie has been rated R by the MPAA. Time 128 minutes.

The Food: We will have a potluck at 6PM before the movie. Well, you have a choice to bring an American, Italian, French, African or Danish dish to share with 4-6 people (Did I leave any country out!). I like both fooddownunder.com and www.recipesource.com. If you plan to drink, please bring beer or wine. The Fellowship has a stove, refrigerator and microwaves.

Please contact Bo Boghani at 458-8332 or boghanibs@bellsouth.net with questions.
