As the result of congregational input, the Sunday Services Committee is working towards restructuring the service to help create a more meaningful and flowing worship experience. In an effort to show appreciation for our volunteer musicians, to the service leaders and to all who come to worship together, we would like to move together as a congregation to prepare for the service with quiet reflection and meditation. Please note the changes in the order of service and observe the ushers and greeters as we attempt to implement these changes. As always, we appreciate your input in this process.

**“Joys and Sorrows”** -- You may write your Joys or Sorrows in the Memory Book on the table in the front of the Sanctuary. The worship associate will then craft a short prayer lifting up those Joys and Sorrows. If you are not inclined to write in the book, you may also simply light a candle in silence.

## Blue Boat Home

Though below me, I feel no motion, standing on these mountains and plains.  
Far away from the rolling ocean, still my dry land heart can say:  
I've been sailing all my life now, never harbor or port have I known.  
The wide universe is the ocean I travel, and the earth is my blue boat home.

Sun my sail and moon my rudder as I ply the starry sea,  
Leaning over the edge in wonder, casting questions into the deep.  
Drifting here with my ship's companions, all we kindred pilgrim souls,  
Making our way by the lights of the heavens, in our beautiful blue boat home.

I give thanks to the waves upholding me, hail the great winds urging me on,  
Greet the infinite sea before me, sing the sky my sailor's song:  
I was born upon the fathoms, never harbor or port have I know.  
The wide universe is the ocean I travel, and the earth is my blue boat home.

### **\*\*\*\* Important Notice Regarding Children's RE Sunday Schedules for Fall \*\*\*\***

After weighing several factors, your CYRE committee has decided to hold ALL children's RE classes during the 11 AM hour instead of the 10 AM hour (similar to our summer schedule). The children will still begin in the service, and leave for their classrooms after the *Story for All Ages*. Unfortunately, this point in the service could be as late as 11:30, and to do justice to our children's spiritual growth and bonding time with their peers, we feel that it is vital that they experience 45 minutes of class time. Therefore, we respectfully ask that parents call for their child(ren) no earlier than 12:15. If the adult service lets out early, please feel free to use the time to socialize with the rest of the congregation or even take a few minutes of quiet time outside (an option quite rare for parents of small children).

We still intend to offer meaningful, enriching programs at the 10 AM hour for those families who are present at that time. Activities will include Children's Chapel, Service Projects, Game Time, and hopefully Choir. A different activity will be offered each week. The exact schedule will be determined later, and will be dependent upon volunteers to facilitate.

Thank you for entrusting us with your children and we appreciate your support.

## **Articulating Your UU Faith**

**Starts October 4th**

**5 Sessions**

**9:45 AM, Sundays, Sanctuary**

**Assisted by Pat Jobe**

Talking about a non-creedal liberal religion like ours can be difficult. Many UUs are hungry for ways to articulate their faith. Those who grew up in our movement often have barely acquired, if at all, the inner tools to talk about this religion that has meant so much to them. Others coming into the faith (from a different or no religion) are often willing to share their emerging beliefs but might struggle to find appropriate language. Both kinds of UUs can field demanding inquiries from their friend and family about non-creedal liberal religion.\*

This class guides participants through a series of easy and engaging exercises--personal reflection, role-play, discussion and even the creation of a worship event--that equip them to communicate their liberal religious ideals.

RSVPs requested for material supplies. Facilitated by Kris Beliakoff. Contact [adultregistration@greenvilleuu.org](mailto:adultregistration@greenvilleuu.org)
